It is important that the Annexes of this document are read in conjunction with the main text contained within the body of this document. It was intended for presentation at a post COVID-19 Planning Committee meeting. However, the ad hoc VPC meeting to push through the Bloor Homes application means that it is effectively in a draft form (apologies) due to time constraints.<br>THE CONTENTS OF THIS DOCUMENT ARE GEMANE TO THE 19TH May VPCM in<br>respect of the contents of the BLOOR HOMES DOCUMENTS as presented. |

| **Redacted general comment - Please add any comments not addressed above** | LaGTAC represents a large number of residents who are opposed to any further developments in Lowton and Golborne. We have previously submitted a 50 page 20,000 word report which has previously been totally ignored. |
