GMA 27 Hazelhurst Farm

1. GMA27 - 1 Hazelhurst Archaeological Assessment
2. GMA27 - 2 Hazelhurst Ecology and Green Infrastructure
3. GMA27 - 3 Hazelhurst Heritage Assessment all sites

The following technical assessments have been produced on behalf of the majority landowner in support of the GMSF site allocation which they are promoting. These documents have not been subject to a comprehensive review by the relevant departments within the city council or any relevant external organisations such as the Greater Manchester Ecology Unit. As such, they are not endorsed by Salford city council or the GMCA at this stage, but rather published for information as key pieces of technical work undertaken on behalf of the majority landowner of the site. It is considered helpful to publish these documents at this stage, so that people have as much information as possible in making their comments on the Publication Draft GMSF. The conclusions drawn in these reports are outlined for information, where relevant, in a topic paper for this allocation.
