Financial Statements for the period 1 April 2016 to 7 May 2017

This representation letter is provided in connection with the audit of the financial statements of Greater Manchester Police and Crime Commissioner for the period ended 7 May 2017 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17 and applicable law.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

Financial Statements

1. We fulfilled our responsibilities for the preparation of the financial statements in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17 ("the Code") which give a true and fair view in accordance therewith.

2. We complied with the requirements of all statutory directions affecting the Greater Manchester Police and Crime Commissioner and these matters have been appropriately reflected and disclosed in the financial statements.

3. Greater Manchester Police and Crime Commissioner complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.

4. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.

5. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
6. We are satisfied that the material judgements used in the preparation of the financial statements are soundly based, in accordance with the Code and adequately disclosed in the financial statements. There are no other material judgements that need to be disclosed.

7. Except as disclosed in the financial statements:
   a. there are no unrecorded liabilities, actual or contingent
   b. none of the assets of the Greater Manchester Police and Crime Commissioner has been assigned, pledged or mortgaged
   c. there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.

8. We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme assets and liabilities for IAS19 Employee Benefits disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant post-employment benefits have been identified and properly accounted for.

9. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of the Code.

10. All events subsequent to the date of the financial statements and for which the Code requires adjustment or disclosure have been adjusted or disclosed.

11. Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of the Code.

12. We have considered the adjusted misstatements, and misclassification and disclosures changes schedules included in your Audit Findings Report. The financial statements have been amended for these misstatements, misclassifications and disclosure changes and are free of material misstatements, including omissions.

   The financial statements are free of material misstatements, including omissions.
   
   We have considered the unadjusted misstatements schedule included in your Audit Findings Report and attached. We have not adjusted the financial statements for these misstatements brought to our attention as they both immaterial to the results of the Greater Manchester Police and Crime Commissioner’s financial position as at 7 May 2017 and the treatment is congruent with management assumptions outlined in the critical judgements section.

13. We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.

14. We believe that the Greater Manchester Police and Crime Commissioner’s financial statements should be prepared on a going concern basis on the following grounds:
   - The functions of the Greater Manchester Police and Crime Commissioner (PCC), were transferred by Parliamentary Order, to the Elected Mayor of Greater Manchester with effect from 8 May 2017. The transfer of PCC functions to the Elected Mayor mean that the legal entity known as Greater Manchester Police and Crime Commissioner ceased to exist as of 8 May and all staff, properties, rights and liabilities transferred to the Greater Manchester Combined Authority. As the functions of PCC will continue, the accounts have been prepared on a going concern basis.
   - Further, current and future sources of funding or support will be more than adequate for the needs of the Fire Service. We believe that no further disclosures relating to the Greater Manchester Police and Crime Commissioner’s ability to continue as a going concern need to be made in the financial statements.
