

Bus Franchising in Greater Manchester Assessment September 2019

**The Greater Manchester
Franchising Scheme
for Buses 2020**

DRAFT

TRANSPORT ACT 2000

The Greater Manchester Franchising Scheme for Buses 2020

COVERING SHEET

The proposed scheme as set out below contains a number of changes from the draft provided to the auditor. In addition to the correction of a number of typographical errors, these changes included inserting a more legible map, removing services from Annex 1 which did not in fact cross a sub-area boundary and removing unmarked services from Annex 4 (both of which had no practical effect). In addition, the description of the services to be franchised in Annex 1 has been limited to that part of the route which lies within Greater Manchester (as only that part could be provided under the scheme) and any duplicated routes have also been removed.

All of these changes merely serve to clarify the effect that the proposed scheme provided to the auditor would have had in any event. It also provides a simpler presentation of the proposed scheme for the purposes of consultation. The only other changes that have been made are to correctly identify 19 services in Annex 1, and 14 services in Annex 4, that do in fact cross a Sub-Area and require separate provision for. These changes do not change the principles upon which the proposed scheme is based upon and they do not materially change its practical effect. As a result, the auditor has confirmed that the changes do not affect its opinion or observations on the assessment.

In addition to these revisions and for the purposes of undertaking a consultation in accordance with section 123E of the Transport Act 2000 (as amended by the Bus Services Act 2017), provisional or estimated dates, periods or numbers for inclusion in this proposed scheme have now been provided in the proposed scheme.

The date that it is proposed the scheme could be made is 06/03/2020 (see article 1.1). Should this transpire, the title of this document would be "The Greater Manchester Franchising Scheme for Buses 2020". This date (and subsequently all others) may change depending on the progress of the consultation and any subsequent decision making process. The assessment of the proposed bus franchising scheme includes a draft procurement plan which is underpinned by various key assumptions, one of which is a Mayoral decision in December 2019 that the scheme will be made. Accordingly, because the date of any Mayoral decision is later than that anticipated in the assessment, the dates included in this scheme have been moved back accordingly. The dates when a local service contract may first be entered into in Sub-Area A (article 4.1.1), in Sub-Area B (article 4.1.2) and in Sub-Area C (article 4.1.3), are presently proposed to be 02/04/2021, 25/03/2022 and 10/03/2023 respectively. In this context, it is also proposed that the period in respect of article 4.2 will be 9 months. Relatedly, this means that the date proposed in respect of article 1.2 would be 02/01/2022.

It is intended that article 2.1.11, which defines the meaning of the term "Large Franchise Contract", refers to 34 in respect of the number of vehicles. This would be consistent with the assessment.

As noted above, the dates, periods and numbers referred to above and within the draft scheme are provisional and are included only for the purposes of the consultation.
