

Introduction to Beeline

You can use Beeline for free at: www.gmacs.co.uk/Beeline

Section 1

Choose a gateway	
Write down three jobs available in this gateway	1. 2. 3.

Section 2

Click on one of the jobs to take you to the Adzuna website	
Which job did you choose?	
What do you think about the average salary?	
How many of these jobs are available in greater Manchester?	
Do you think that's a lot or not much?	

Section 3

Click on one of the job adverts	
Which job did you choose?	
Is the salary higher or lower than the average salary?	
What else is interesting about this job? Is it full time or part time? Does the job advert say what skills you might need to apply?	

Section 4

Go back to the Beeline gateway page and click on another job	
Which job did you choose?	
What do you think about the average salary?	
How many of these jobs are available in Greater Manchester?	
Do you think that's a lot or not much?	
Click on one of the job adverts	
Which job did you choose?	
Is the salary higher or lower than the average salary?	
What else is interesting about this job? Is it full time or part time? Does the job advert say what skills you might need to apply?	
Compare your answers for the different jobs	
What similarities and differences do you notice?	

Section 5

Go back to the Beeline gateway page
